RE: Price Announcement

Valued Precision Plumbing Products Customers,

PPP's price list will be revised to reflect price adjustments due to rising healthcare, labor, environmental and raw material costs.

- The average increase is approximately 6%, but individual items may vary.

Effective March 2, 2020, prices will increase for all orders placed after Friday, February 28, 2020. Prices will be updated automatically in the Precision Plumbing Products billing system on the effective date of March 2, 2020. New list price sheet will be available for download on the PPP website, www.pppinc.net.

Please contact your local manufacturer's representative with any questions.

Thank you for your continued business,
